October 2023 Monthly Aliens Summary Report

DrZ's 7.5 Year Plus with the Aliens 24/7

12.5 % of DrZ's Entire Life with Aliens. 60% During his 12.5 Years in Retirement!

No month goes by without being physically concerned of being attacked or waves of potential Assassins trying to get to DrZ through [REDACTED]. Since August 2022, the Reptilian, Octopi, Grays and now a new race of Invisible Alien joined the Invisible Aliens Supreme Leader and has accelerated their joint physical, cyber, missile attacks and mind control attacks threats. On Wednesday, September 13, 2023, starting at 6pm EST that lasted 16 hours. An In-Depth analysis of the attacks were reviewed on the DrZ's attacks. It appears that an astronomical number of UFOS and extraterrestrial entities, specifically reptilian aliens, had tried hundreds attempting to breach DrZ's [REDACTED] through unconventional means. Given the seriousness of that threat, Security had taken immediate action to ensure the safety and security of the entire organization and all personnel. It was of utmost importance that extra caution and implementation of necessary measures were required to protect ourselves. A Special Report, with significant immediate actions were taken accordingly.

Please review October 2023 Lowlights and God Saving and Security Saving Highlights

October 2023 Lowlights:

October 7, 2023, was a devastating day for our Comrades in Israel. In the wake of the recent Hamas attack, our hearts grieve for our comrades in Israel. The sacrifices made by our team will forever be etched in memory. Words fail to capture the depth of sorrow we feel. May their memories endure and may the collective efforts to support Israel serve as an unwavering testament to resilience and solidarity.

October 2023 Highlights:

Safety and Security

Safety is important because it helps protect people from accidents and injuries, while Security is important because it helps protect people from crime, violence, and data breaches.

We understand that the most important topic of all is regarding the Safety and Security in all facets regarding all our daily efforts.

The area of Safety and Security demands a continuous review of all aspects dealing with these Aliens. That formulates into a robust type of continuous 24/7 reviews and immediate upgrades or replacement of any process. As a commitment to ensure credibility and completeness to Safety and Security to protect, the employees, advisors, and partners, as well as any relevant legal frameworks and industry standards that the organization adheres to. **Safeguarding personnel and all information and sensitive company data that are documented.** This Policy will always be maintained with current laws and regulations to also safeguard the integrity, confidentiality, and availability of its data while also mitigating any cyber threats.

General Information

July 2023 was a record-breaking month regarding the UFOS, ORBS and Stroboscopic Multicolor Shapeshifters (SMS). The summary chart for the daily and monthly-yearly records for the entire 2022 is on page 5 of this report. Page 6 of this report shows a consistent level of tracking DrZ. Aliens Intelligence gathering of Aliens using **ORBS.in July 2023 and exceeded the previous record from September 2022. Very Interesting!**

Historical General Information:

For DrZ the observations of the continuing Orbs, UFOs but now the partial replacement of daily ORBS and UFOs with “Stroboscopic Multicolor Shapeshifters “continues. This new technique serves as new Intelligence Gathering Alien Technology, aka “SMS.” However, the Aliens has released on Saturday, May 28, 2022, a “**Thin Light Bending (TLB)** Alien Technology that appeared almost every month but in 2023 the level of that unique intelligence gathering has dramatically subsided.

Aliens’ motivation for the phenomenal amount of tracking and intelligence gathering of Dr.Z and Zinda went way beyond again any anticipation since there was only one UFO tracking on December 22, 2021, and nothing Zinda and Dr.Z know about prior. Only the Orbs were daily present besides the three (3) Aliens (Lefty, New Righty and Calm-Quiet Alien) with Dr.Z since May 2022. However, starting in mid-February 2022 through December 2022, Dr.Z was experiencing electrical shocks around all parts of his body, especially the fingers. This was the same type of shocks he received on Friday, August 13th of 2021, when the Supreme Invisible Alien Leader sent its 2 ½ Foot Diameter Alien Black Spider Assassins and killed 28 members of our team. Unfortunately, starting in January 2023, the level of intensity of pain from these electrical shocks, especially on the bottom of DrZ’s feet are growing exponentially and continues to occur nearly 24/7 every day. DrZ had a major health incident on January 28, 2023, at 11:00 PM. The root cause of what caused the Massive Heart Angina Attack that provoked 2 minor strokes was never determined despite all kind of medical tests with the last 2-hour Echo-Stress heart test available was successfully completed on April 28, 2023. Could this Alien driven severe electrical pain pattern be the cause? [REDACTED] [REDACTED] [REDACTED]

Statistics Still Ongoing lot of Intelligence Gathering Ongoing 24/7:

Videos captured via by ARLO Infrared motion detection Cameras located in the first-floor and partially on the second floor bedroom (where Dr.Z sleeps) in the Townhouse:

Note: January through July of 2023 videos average ~15 Orbs' videos a day. July 2023 alone Statistics of ~ 21 Orbs' a day is significantly higher and was 15% of all the 4,297 videos captured for the first seven months of 2023.

- **World's Record:** On July 30, 2023, at 10:13 PM through 10:16 PM that for three (3) continues minutes, ORBS were tracking DrZ and gathering intelligence.
- **World's Record:** On October 25, 2022 literally hundreds of ORBS poured out of DrZ's car at 6:17am in the morning. DrZ can thank the very noisy garbage truck for initiating that record 😊
- **Now Old Records:** Note: The first day of February 2022 at 6:40am captured a World's Record of over ~50 individual Orbs on the Arlo Camera. However, on March 24, 2022, at 10.17pm, the World's Record of ~50 Orbs on one video was matched. May had its world's Aliens record by DrZ's standards. On May 30, 2002, between 1:57 through 1:59am over 12 separate Arlo Videos captured DrZ fighting with lightening moves to dodge counter punches by boxing Aliens. Over 50 Orbs came out of the woodwork and ceiling and through windows capturing this bizarre set of events. On July 7, 2022, between 1:37am through 4:10am in three separate videos over 60 Orbs were observed. The world deserves to see all of these.
- **Overall,** these videos deserve recognition in the upcoming DrZ's Book of World Records.
